Product Details

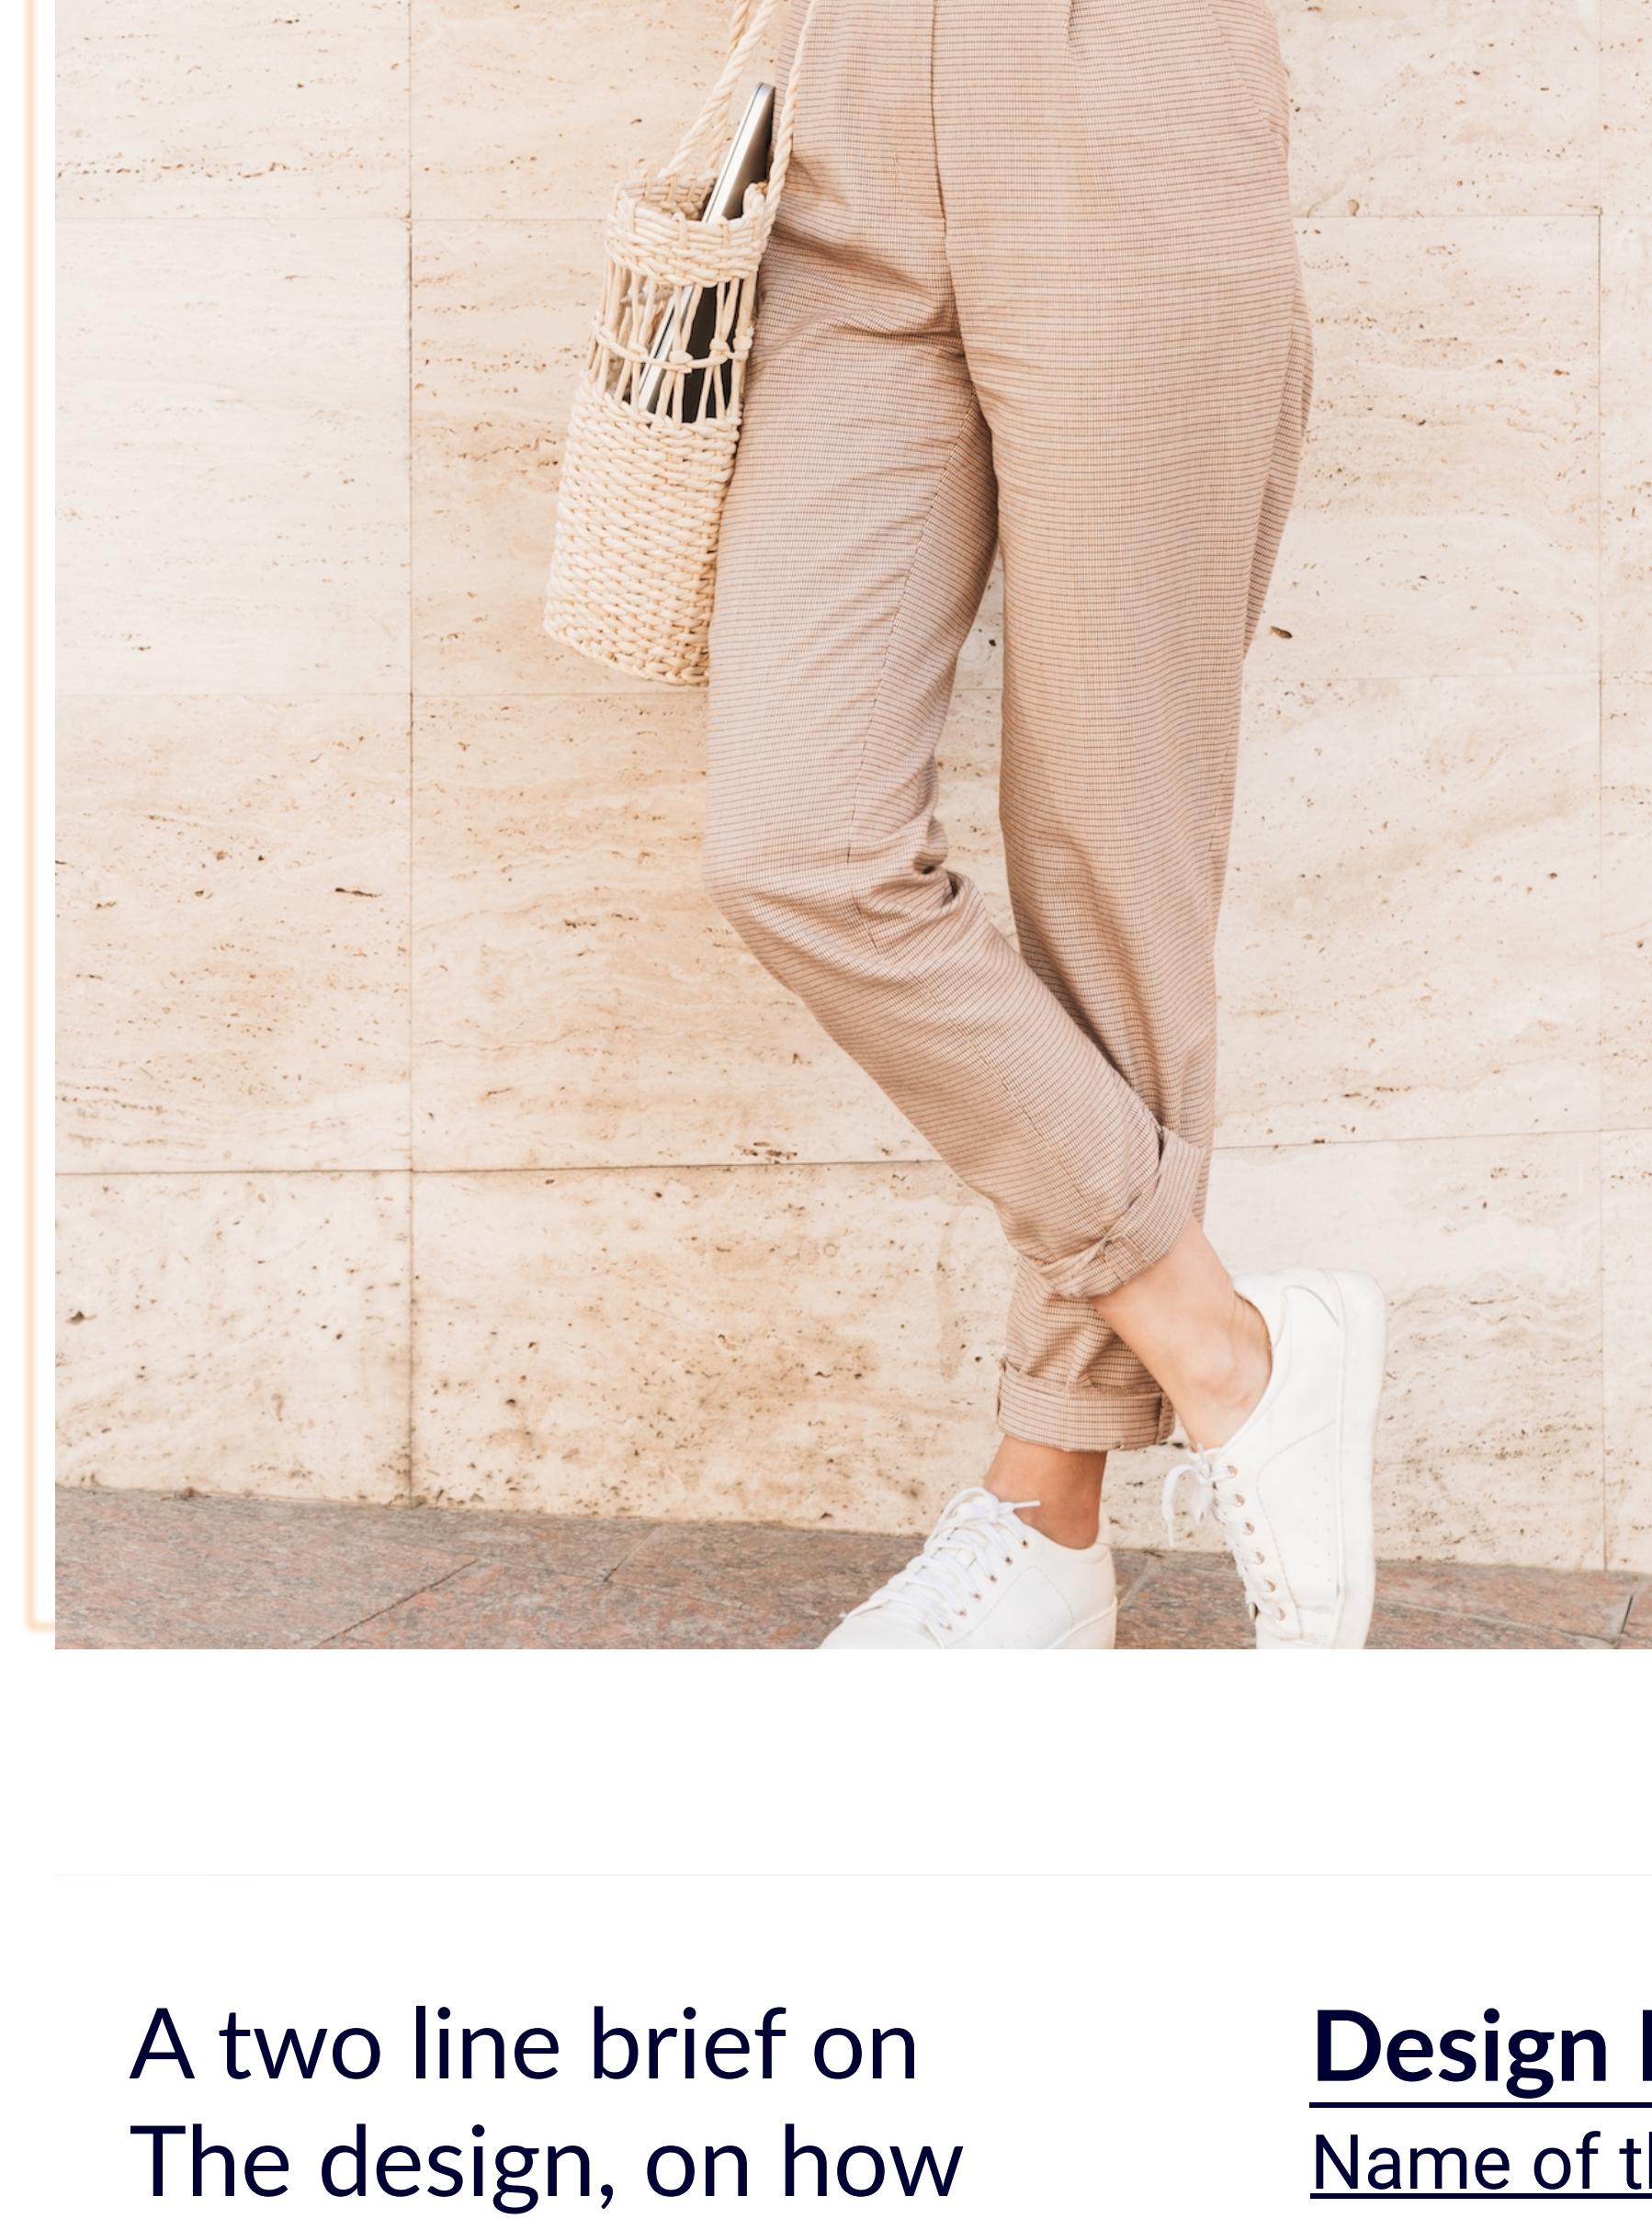

- A list of bullet points describing the product to be entered here
- but this is more of a traditional way of doing things
- so we will like to change how it works
- so there should be a text box for this where the title and the following text can be styled accordingly/as per the need
- And then more description
- and then some more
- and leaving room for if more required
- so on and so forth

Curated by Shriprya Jain

An avid instagrammer and you-tuber and Fashion stylist. Renowned for style selection in vintage and street wear.

Also part of curated looks by Abhilasha Singh
